Gallery Nucleus Presents

Moonshine

August 14, 2010 - September 6, 2010

Opening Reception: Saturday, August 14th, 2010 (7 pm - 11 pm)

Closing Reception/Book Signing: Friday, September 3rd, 2010 (7 pm - 11 pm)

Alhambra, CA – Gallery Nucleus is pleased to present MOONSHINE, an exhibit highlighting work from over 45 enormously talented and prolific Dreamworks Studio art directors, character and production designers, and visual development artists.

Moonshine features art made during the precious little times of day when these artists are not busily working on stunning animated films. These Dreamworks artists have contributed their respective talents to upcoming films, such as *Shrek Forever After*, *Puss in Boots*, *The Croods*, *Kung Fu Panda: The Kaboom of Doom*, *MegaMind*, *The Guardians of Childhood*, *Scared Shrekless*, and *Kung Fu Panda Holiday*.

On Friday, September 3rd, Gallery Nucleus will also host a special closing reception just in time for the book release of MOONSHINE. Several artists will be in attendance to sign copies of the book.

- Complimentary refreshments and moonshine will be served.
- Pre-order the MOONSHINE book on opening night, and receive 10% off your purchase.
- Dreamworks Animation Studio tour package to be raffled off!

Come see what these artists do best, with close to one hundred pieces in the show!

Since October of 2004, Nucleus has strived to be a welcoming gathering place for the art-loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also held benefit auctions, product signings, music events, and artist lectures.

After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2,000 square feet of open gallery space, 1,000 square feet of shop/boutique, and over 3,000 square feet of studio/production space.

Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art. (All of which are carefully cataloged online on our website.)

Always open to the public, we welcome art collectors and the general public alike to visit us seven days a week.
