**Los Angeles, CA** — Nucleus is proud to present a solo exhibition of new original ink works by award winning artist & writer, Dan Santat! Dan has illustrated over 100 children's books and won the Caldecott Medal for *Beekle*. Equal parts humor and heart, Dan's work invokes a lighthearted optimism and colorful imagination that will surely charm the inner child in you! On opening night, Dan will be in attendance to chat with fans and sign books, and we'll be releasing a new enamel pin based on Dan's book, *After the Fall!*

**The opening reception is on Saturday, May 26th, 6:00PM - 9:00PM ([more details](#))**

#### **About Nucleus**

Since October of 2004, Nucleus has strived to be a welcoming gathering place for the art loving community by offering quality art, art-related goods, and rarities. Focusing primarily on gallery exhibits, we have also had benefit auctions, product signings, music events, and artist lectures. After three and a half years, we moved one block east to a much larger and more dynamic space. Still in the heart of quaint downtown Alhambra, we re-opened in March of 2008 with over 2000 square feet of open gallery space, 1000 square feet of shop/boutique, and over 3000 square feet of studio/production space. Having exhibited both local artists and artists from abroad, and catering to an international customer base, we offer an extensive collection of original contemporary, illustrated, graphic, commercial, and narrative art - all of which are carefully catalogued on our website – [www.gallerynucleus.com](http://www.gallerynucleus.com)
